Temporary Heat Quickly

Did you ever stop to think of the many ways in which a perfect oil heater is of value? If you want to sleep with your window open in winter, you can get sufficient heat from an oil heater while you undress at night, and then turn it off. Apply a match

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Doan's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer hundreds of dollars for any case it fails to cure. Read for circulars and testimonials.

His Game Won.
In a campaign in Kansas some years ago, when the tariff was made a dominant issue, an old German was running for a county office in central Kansas. He didn't know enough about the tariff to talk about it two minutes. More than that, he didn't care much for it had nothing whatever to do with the office he wanted anyway. But the voters were much excited over the question and seemed to think that every candidate should be able to discuss the problem from A to Z.

So this German and his campaign manager invented a successful subterfuge. When the German got up at the meetings to talk he would say: "Now, gentlemen, I will talk mit you about der tariff. It is like—"

Just then his campaign manager would interrupt: "Why, John, you have only five minutes to talk. You cannot do yourself justice in that length of time on the tariff."

"Then I won't talk about der tariff," would be John's inevitable reply, and he would go on to tell that he wanted a certain county office, and so on. His game won, and he was elected.—Kansas City Journal.

Effects of Absinth.

When taken in excess absinth quickly deranges the digestive organs and destroys the appetite. An unappeasable thirst takes possession of the victim. The next stage produces delirium and unbearable mental depression and finally lunacy. Equally horrible is the fate of the man who avoids agues and drinks his absinth in smaller but regular doses. His face gradually becomes sallow and careworn, and his hair begins to drop off. Next come muscular quiverings, especially of the arms and shoulders. Loss of brain power follows, and he is haunted by horrible dreams and delusions. Gradually paralysis overtakes him and lands him in a merciful grave.—Pearson's.

A sprained ankle will usually disable the injured person for three, or four weeks. This is due to lack of proper treatment. When Chamberlain's Liniment is applied a cure may be effected in three or four days. This liniment is one of the best and most remarkable preparations in use. Sold by George King & Sons.

The English Pheasant.

It is claimed that the pheasant of the English preserves can trace its pedigree directly to the brilliant bird of the same species in Japan. About the middle of the nineteenth century a few live pheasants were brought from Japan and crossed with the common species. The result of this was, it is said, that a new race of birds was introduced, and the beautiful pheasant, with its iridescent plumage, was produced and naturalized as an English bird.

Kidney Troubles Attack Earlington Men and Women, Old and Young

Kidney ills seize young and old. Come quickly with little warning. Children suffer, to their early years—

Can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women worry, can't do daily work.

Men have lame and aching backs. The cure for man, woman or child is to cure the cause—the kidneys. Doan's Kidney Pills cure sick kidneys—

Cure all forms of kidney suffering. Earlington testimony proves it.

Mrs. C. H. Lynn, Railroad street, Earlington, Ky., says: "My little girl suffered from a most serious case of kidney complaint for nearly four years. Doctors treated her and I did everything I could, but she became no better. I saw Doan's Kidney Pills so highly advertised that I finally procured a supply at the St. Bernard Drug Store and gave them to the child according to directions. The results were certainly gratifying. After taking the contents of three boxes of Doan's Kidney Pills, she was entirely free from kidney trouble."
